Unicol Parabella Plasma/LCD Floor Stand

- Curved slim design.
- Allows generous height for screen displays.
- Neat cable management within curved uprights.
- Glass shelf option.

Introducing an ultra slim line and modern design stand system, the Unicol Parabella stand is the ideal solution for any plasma or large LCD display. For a more sophisticated and elegant look for exhibitions and conferences, these large and very stylish stands comes with the optional smooth edged glass shelf to complete the look.

Any cabling can be concealed inside the legs of the stand to give it a nice neat and tidy appearance. The stand has a total height of 183cm to centre of screen and is able to facilitate screens from 32" up to 65".
